

DAVE BREBNER: CAREER  
DEVELOPMENT STARTER PACKAGE  
& INDIVIDUAL SESSIONS

*Career Pathways Course*

## DB CAREER DEVELOPMENT STARTER PACKAGE

This tailored package provides you with steps 1-3 of ten scheduled sessions for you to receive a comprehensive guided plan to meet your career goal.

Each session is via a face to face meeting, Skype or phone consultation dependent on your location.

1. Initial Strategy Session: Let's work out what your goal is, what your challenges are and how to get you started. We will go through a talent and interest assessment, analyse your skill set and qualifications and discuss your employment or further training options.
2. Eight x 60 minute weekly coaching sessions to help you thrive through your career challenges and reach your goal. I will provide you with assistance in the structure and focus of your CV, cover letters and selection criteria's. We will practise your interview skills and talk about how to present yourself at your best. Strategies for dealing with workplace challenges are shared to give you the best tools in enjoying your long term career prospects. I can also advise on any logistical and advocacy requirements you may have in the workforce as an employee.
3. Review Session: This is where we review and analyse your progress to discuss what worked for you, the skills you have developed to reach your goal and where you would like to be headed next!. We will share a de-brief session so you can discuss your new career confidence skills and how you plan to implement your next goals!

## INDIVIDUAL CONSULTATIONS \$90.00 PER 60 MIN SESSION

The individual consultations provide you with a custom tailored coaching session to help you thrive through your career challenges and reach your goal. You can learn and interact at your own pace and make a booking whenever you need one.

Each consultation is via a face to face meeting, Skype or phone consultation dependent on your location.
